2	CA XXXX	Canoe Sprint	K4	4	

Take note that having a vessel ID tag does not mean that the applicant has a valid permit. The purpose of the vessel ID tag is to stick it on the boat so that the boat can be identified and recorded in SCF/ PUB 's database. The applicant is only allowed to use the boat after he/she receives the Vessel Permit Document from PUB.

Based on our Regulation 15(1) of the Public Utilities (Reservoirs, Catchment Areas and Waterways) Regulations 2006 – No person shall operate, have conduct of, place or berth any vessel in a reservoir, except under and in accordance with a valid vessel permit granted by an authorized officer and any condition imposed in connection therewith. Take note that failure to comply shall constitute an offence and shall be liable on conviction to a fine not exceeding \$3,000.
