Welcome to the 21st National Canoe Polo Championships

Greetings to everyone in the Canoe Polo community. The National Canoe Polo Championships (NCPC) is upon us once again. This year, Singapore Canoe Federation (SCF) has partnered with GetActive! Singapore to organise this event as part of an effort to commemorate Singapore's Bicentennial year and the Nation's sporting heritage. "Pesta Sukan" is a Malay phrase for "Festival of Sports" thus, we hope to continue the tradition of providing a platform where sportsmen and women get together in camaraderie and goodwill to heighten the playing field of sports in Singapore. The annual championship, currently into its 21st edition, will see teams pit themselves against one another to win the coveted titles.

To raise competition standards and heighten player experience, the Organising Committee will closely follow the competition format and game structure guided by the International Canoe Federation (ICF) Canoe Polo Competition Rules 2019 while ensuring maximum possible pool time for each team. Having fun while keeping the competitive spirit strong remains a key objective of our Championship.

We look forward to meeting all of you once again. May the best teams win!

Sincerely,

National Canoe Polo Championships 2019 Organising Committee
