4. Selection Criteria

- 4.1 Athletes may earn a quota through the designated Selection Competitions.
- a. For selections that consider results across more than one race e.g. Top 3 boats based on timings from the SJCC U18 and U17 K1 1000m Final A, and there is uncertainty over the actual timings due to technical issues, a race-off will take place between the affected boats directly contesting for the quotas e.g. Top 3 U18 and Top 3 U17 boats to race off.
 - b. All boats must meet the minimum Performance Criteria (Annex I).
- 4.2 If a **K1 or C1** quota becomes available due to reasons including withdrawal of a selected athlete up to and including the SCF Confirmation Deadline, the quota shall be offered in the following order of priority:
- i) the next best-ranked athlete who has met the selection criteria; or
 - ii) an athlete who has already qualified in another event; or
 - iii) Notwithstanding the above, for development purposes, SCF may exercise its discretion to invite the next best-ranked athlete who has not met the selection criteria.
- 4.3 If a team boat quota becomes available due to reasons including withdrawal of a selected athlete/boat up to and including the SCF Confirmation Deadline, the quota shall be offered in the following order of priority. For avoidance of doubt, a team boat quota becomes available when any member withdraws.
- i) the next best-ranked team boat who has met the selection criteria; or
 - ii) a team boat who has already qualified in another event.
 - iii) Notwithstanding the above, for development purposes, SCF may exercise its discretion to invite the next best-ranked team boat who has not met the selection criteria.
- 4.4 After the team has been confirmed for a competition, any quota place that becomes available (e.g. K1 quota, one seat in a K2) may be offered to an athlete from the selected team as an additional event. This is a coaching decision as determined by the National Coaches and approved by the High Performance Management Committee. The decision is final and not subject to appeal.
